The Light in Her Eyes

HOUDA AL-HABASH, a conservative Muslim preacher, founded a Qur'an school for girls in Damascus, Syria, 30 years ago. Every summer, her female students immerse themselves in a rigorous study of Islam. A surprising cultural shift is underway – women are claiming space within the mosque. Shot right before the uprising in Syria erupted, **The Light in Her Eyes** offers an extraordinary portrait of a leader who challenges the women of her community to live according to Islam, without giving up their dreams.
