

## QUEST Autumn

If you enjoyed viewing QUEST *Autumn*, you may want to participate in activities and events or look for further information about our surroundings in northern New England!

### Fall Foliage Websights

■ Though it's but a memory right now, the fall foliage season in northern New England involves more than just leaf peeping. Check out these Web sites for scientific research, trivia, forums, and photographs of the most colorful of all four seasons!

Vermont: [www.foliage-vermont.com](http://www.foliage-vermont.com)  
 Maine: [www.state.me.us/doc/foliage/report](http://www.state.me.us/doc/foliage/report)  
 New Hampshire: [www.visitnh.gov/foliagereports.html](http://www.visitnh.gov/foliagereports.html)

### Overlook Loop Trail

■ Journey along the Connecticut River; enjoy views from several lovely overlooks, and visit the "Migration Station." This path is surfaced by a hardpacked material that allows the passage of wheelchairs and strollers. This is only one of the 60 exhibits at the Montshire Museum of Science.

**When:** Ongoing  
**Time:** 10 am - 5 pm daily  
**Where:** Montshire Museum of Science, Norwich, VT

*For more information, contact:*  
 Montshire Museum of Science, One Montshire Road, Norwich, VT 05055  
 (802) 649-2200 / [www.montshire.org](http://www.montshire.org)

Major funding for Quest is provided by the National Science Foundation. Additional funding is provided by the Maine Department of Inland Fisheries and Wildlife, Maine Forest Products Council, and Irving Woodlands LLC.
